

THOMAS WITTWER

170 BROWNS ROAD BONEO · 0490 923 053

thomas.wittwer2018@gmail.com

I am a relatively beginner rock climber and I have taken a love for the sport. I am looking to grow my knowledge and incorporate myself into the working environment. Currently I am studying to become a web developer, I love problem solving and coming up with unique solutions to different problems.

EXPERIENCE

18/04/2019 – CURRENT

FOOD AND BEVERAGE ATTENDANT, RACV CAPE SCHANCK

- Operated, opened and closed signature bar
- Conference and events waiting
- Completing Audit cleans
- Coordinating and communicating with another senior staff to organise the Italian Bistro
- Training of new staff members
- Efficient communication and teamwork with coworkers
- Navigating customers needs to reach an overall positive outcome

My current job has provided me with knowledge and experience of working in different restaurant environments with various groups of customers. This has helped me navigate positive and negative customer situations which overall has made me a more confident, responsible and reliable employee.

12/10/18 – 03/04/19

GAMING ATTENDANT, ROSEBUD HOTEL

over a summer period I was a gaming attendant at the Rosebud Hotel. Qualities of this job included.

- Working with gaming machines
- Bar work
- Handling large sums of money
- Efficient communication with customers

26/10/2015 – 07/10/2018

CREW WORKER, MCDONALDS

McDonalds was my first job at 15-years-old. This job taught me many introductory skills such as:

- Food handling and cooking
- Cleaning and washing dishes
- Food delivery
- Team work and team communication

EDUCATION

2013-14/11/2018

HIGH SCHOOL STUDENT, BALCOMBE GRAMMAR SCHOOL

Throughout my high school career, I studied Specialist Mathematics, Mathematical Methods, Physics, Chemistry and English. Successfully completing year 12 without any issues

JUNE 2021- FEB 2022

UNIVERSITY STUDENT, MONASH UNIVERSITY

I am currently studying a full stack web development course. This course has assisted me with my organisation, adhering to instructions, following through on tasks and evaluating my own performance and skills to assess what needs improving.

SKILLS

- Problem solving.
- Goal orientated and results driven.
- I can communicate my ideas clearly and concisely in a professional manner.
- I am interested in learning new things.
- I am open and honest.
- Currently studying a part time course in Website development which should last approximately 6 months.
- Listen attentively and carefully follow instructions.
- I can evaluate my own performance quite well and improve my skills accordingly.
- I can take responsibility for myself and others.
- Can adjust to different situations accordingly.
- Completed Responsible service of alcohol course.

ACTIVITIES

I love working with computers and gaming is a passion of mine, I also enjoy rock climbing and though I'm only a beginner, I'm loving the challenges it's facing me with. Some of my other passions include snowboarding, water sports and spending time with my family and friends.

AVAILIBILITIES

With my current study, I'm only available Weekends, and can work from midday till close, however, once my course has ended in February I'm available from midday 7 days a week.

If I seem suitable for a position at bayside rock I can start in 2 week's time, so I can hand in my 2 week's notice at RACV Cape Schanck.
